Employment history

Cinkciarz.pl *Zielona Góra (Remotely), Poland*   Aug 2021 - present

UX/UI team leader   Jan 2022 - present

I'm responsible for managing and leading a team of talented UX, UI designers and UX researchers. For me as a UX leader, empathy is crucial in understanding and advocating for the needs of team members. I try to create an environment of open communication and support. They actively I listen to team members' concerns, offer guidance, and provide constructive feedback to help them grow professionally. My role involves overseeing the entire UX process, from research and analysis to design and implementation. I work closely with cross-functional teams to identify user needs and pain points, ensuring that our products and services meet high standards of usability and accessibility.

UX/UI designer   Aug 2021 - Jan 2022

Comarch *Cracow (On site --> Remotely), Poland*   May 2017 - Jul 2021
